Systems Admin

### Project Management

Team Leadership  
Resource Coordination  
Process Improvement  
Client Support and Resolution

## Work Experience

### **IATSE Local 80 - Los Angeles, CA | August 2017 - July 2023**

#### **Key Grip**

The Key Grip is responsible for shaping the light of a film, providing camera support, construction and moving of set pieces, and safely building/rigging special hardware. Must maintain the knowledge and know-how for the most current technology of the industry, and how to utilize the tools in a safe and efficient manner to accomplish daily goals reliably.

- **Successfully led lighting teams** on projects that received awards for lighting and camera.
- **A solid record of zero work accidents** on all projects as the Key Grip.
- **Successfully deployed advanced rigging techniques** on projects that required financial scrutiny.

### **Independent Contractor - Los Angeles, CA | January 2009 - August 2017**

#### **Assistant Chief Lighting Technician**

The ACLT, also known as the "Best Boy Electric" is fully responsible for maintaining and troubleshooting all electrical elements of a production, from the lighting to the generators, as well as hiring/scheduling for crew needs, and is furthermore responsible for acquiring/maintaining all vendor rentals and hardware.

## Work Experience Continued

### **LA tv - Los Angeles, CA | March 2011 - May 2012**

#### **Assistant Editor**

Responsibilities include: Maintaining and upgrading digital content libraries, delivering packages between edit bays as directed by the editors, overseeing final export and color correction processes of each episode, delivering finished products to CEO for QC and distribution, and assisting in edits as needed.

- **Managed and prepared all media content** on studio NAS for a team of 6 editors.
- **Received honorable mention** for work on the LA tv series "Viva Tu Musica".
- **Doubled up as A-Camera Operator** for LA tv's various other programs.

### **The Art Institutes of California - Los Angeles, CA | August 2008 - December 2010**

#### **Lead Camera and Lighting Rental Associate**

Assist with check-in/out of camera, lighting, and sound equipment. Assist in QC and repair of all camera and lighting equipment using best available methods. Assist teachers in setting up training packages for groups of students and preparing studios for different class setups.

- **Cleaned and Maintained** over 50 different camera packages and hundreds of lighting units.
- **Managed work schedules** of co-workers and rentals through the supplied resource scheduling applications.

### **Independent Contractor, Multi-state | October 2006 - May 2012**

#### **Camera Operator**

Worked as an independent camera operator for news stations, live events, corporate interviews, and narrative/TV. Trained and educated in the setup and use of digital camera systems and their supporting technology..

- **Trained in the operation and maintenance** of various digital camera systems, such as Sony, Canon, Alexa and RED.
- **Doubled as a Digital Imaging Technician** and handled massive amounts of digital media for ingestion into non-linear editing programs.
